5.2 Outlook 2022

Outlook 2022

Growth strategy on track – confirming guidance 2022

 Growth rates are based on organic growth supported by new launches of in-house developments.

Dermapharm

- Guidance for the FY 2022 also includes growth impulses from M&A deals and the existing cooperation with BioNTech regarding the COVID-19 vaccine production.
- Likely impacts from the COVID-19 pandemic and the Ukraine crisis are considered.
- We note, however, that the potentially broad impact on the financial condition as a result of the aforementioned effects presents a challenge to reliably forecast the financial performance of the Group.
